TARIK ELER

GitHub: github.com/tarikelertarnak
Web: tarikelertarnak.pages.dev
Languages: Turkish · English (A2) · German (A1)

SUMMARY

Web developer building modern, end-to-end web experiences with Next.js, TypeScript and AI. From design to deploy — I build products people actually use. 10+ projects, 15+ technologies.

SKILLS

Python · C# · SQL · HTML · CSS · JavaScript

EDUCATION

11th Grade — Technical IT — Ongoing

K-Tek (Kılıçarslan Borsa İstanbul Vocational and Technical Anatolian High School)

I am an 11th grade student in the Technical IT department.

LANGUAGES

Turkish — Native · English — A2 · German — A1

BEYOND CODE

- Hardware: building computers and tinkering with technology
- AI: experimenting with AI projects, new models and tools
